

2016-2017 Scholarship Recipient Feedback Form- Canadian Fluid Power Scholarship

Name: Michel Turcotte

Program & Year: Electro-Mechanical Engineering Technology

How will this scholarship help you?

This scholarship will help me to pay for my tuition.

What does it mean to you to receive this scholarship?

It is nice to have recognition for my academic performance.

What are your plans after graduation?

I look forward to starting a career in my field of study.

What message of thanks would you like to share with the donor?

These scholarships are very generous donations, thank-you!

2016-2017 Scholarship Recipient Feedback Form- Edward Stock Memorial Scholarship

Name: Sarmad Tanveer

Program & Year: Robotics and Automation Technician 2nd year

How will this scholarship help you?

Since the 3rd semester I have been working on a personal project that can revolutionize the way people drink coffee. This scholarship will go towards prototypes for that idea which includes fluid transfer principles.

What does it mean to you to receive this scholarship?

It means that my labour has not been for naught. I continually strive to be the best and receiving this scholarship cements that my efforts are recognized and appreciated.

What are your plans after graduation?

To start my own technology company that provides solutions for a wide range of everyday unsolved problems.

What are your career goals and aspirations?

To wake up every day and love what I do and make a difference in the world through my work. To have my name be synonymous with quality and earn the respect of my peer and colleagues.

What message of thanks would you like to share with the donor?

I am really appreciative of this opportunity. Scholarships keep students like me motivated to perform

our best. Donors like you invest in the future of students who are poised to change the world for better. You show them that their labours are not wasted. This appreciation is the best gift we students can receive.
